2016 Section Enhancement Program

THE CTAWWA ASSOCIATES COMMITTEE IS PLEASED TO ANNOUNCE
THE 2016 SECTION ENHANCEMENT PROGRAM

The Connecticut Section's Associates Committee requests your support of the Annual Section Enhancement Program. Section members of the Manufacturer, Supplier, Consultant, Service Provider, and Contractor categories have contributed significant time and financial resources to the CT Section AWWA. The Associates Committee strongly believes these special efforts have enhanced the success of the Section, and sponsors should receive recognition for their outstanding support. ***(See the list of last year's sponsors.)***

The Section Enhancement Program offers outstanding recognition for participants in the program. The Enhancement Program has sponsored luncheons, speakers, welcome gifts, scholarships and fund-raising raffles at the various Section events. Last year the Associates Committee awarded a total of $7,000 in scholarships to 10 college students with ties to Section members. Those contributing $250 become a Section Enhancer and receive the following:

- **A special recognition page insert in the CT Section "In*Flow*-Line" publication. (Your company/firm will be listed)**
- **Posting of your company name on the CT Section website and a link to your website.**
- **Special recognition at the Annual Meeting and all other major events during the calendar year.**
- **Preferred booth location at the annual vendor show ATCAVE and reduced booth fee.**
- **Section Enhancement Sponsor signs for booths at annual vendor show.**
- **Announcements at each event to acknowledge the Section Enhancement Sponsors.**
- **Recognition of your support of the Associates Committee Scholarship Program.**

We have a very active committee pledged to enhance the Section capabilities and to maximize sponsor participation. Let your voice be heard and keep the momentum going.
