

## 2019 Section Enhancement Program

### THE CTAWWA ASSOCIATES COMMITTEE IS PLEASED TO ANNOUNCE THE 2019 SECTION ENHANCEMENT PROGRAM

The Connecticut Section's Associates Committee requests your support of the Annual Section Enhancement Program. Section members of the Manufacturer, Supplier, Consultant, Service Provider, and Contractor categories have contributed significant time and financial resources to the CT Section AWWA. The Associates Committee strongly believes these special efforts have enhanced the success of the Section, and sponsors should receive recognition for their outstanding support. *(See list of last year's sponsors.)*

The Section Enhancement Program offers outstanding recognition for participants in the program. The Enhancement Program has sponsored luncheons, speakers, welcome gifts, scholarships, and fund-raising raffles at the various Section events. In 2018, the Associates Committee awarded a total of \$9,000 in scholarships to ten (10) college students with ties to Section members. Those contributing \$250 become a Section Enhancer and receive the following:

- **A special recognition page insert in the CT Section "InFlowLine" publication twice a year. (Your company/firm will be listed).**
- **Posting of your company name on the Section Enhancer page of the CT Section website.**
- **Special recognition at the annual vendor show (ATCAVE), the Annual Meeting, and all other major events during the calendar year.**
- **Reduced fee and preferred booth location at ATCAVE.**
- **Enhancement Sponsor signs and ribbons for booths at ATCAVE.**
- **Announcements at each event to acknowledge the Section Enhancers.**
- **Recognition of your support of the Associates Committee Scholarship Program.**
- **Each Enhancer has the opportunity to have their company profile included in the "Feature Section Enhancer" column of InFlow Line**

We have a very active committee pledged to enhance the Section capabilities and to maximize sponsor participation. Through our assistance to the industry we each gain exposure for our individual companies. This close liaison and earned respect is perhaps the best business development tool. We welcome you to become a more active member and further expand the benefit of your membership as a Section Enhancer. Meetings are held once a month and offer a great opportunity to expand your reach. Let your voice be heard and keep the momentum going.
